# **Introduction - CarsFound4U**

Welcome to CarsFound4U, a comprehensive platform designed to make the process of buying and selling cars simple and efficient. Whether you're in the market for a new vehicle or looking to sell your car, CarsFound4U provides all the tools you need for a hassle-free experience.

For buyers, our platform offers an extensive selection of cars from trusted dealers and private sellers, complete with detailed listings and intuitive search options. You can compare vehicles, review specifications, and connect with sellers directly, ensuring a smooth and informed car-buying journey.

For sellers, CarsFound4U makes it easy to list your car and reach a broad audience of potential buyers. Our user-friendly interface allows you to create a detailed profile of your vehicle, upload photos, and manage your listing efficiently. Whether you're an individual seller or a dealer, our platform is designed to help you sell your car quickly and at the best price.

CarsFound4U is your one-stop destination for all things automotive, providing a seamless experience for both buyers and sellers.

# How to Use CarsFound4U

## **Table of Contents**

- 1. Register
- 2. Login
- 3. How to add vehicle for sale
- 4. How to add blog content
- 5. Enquiries

#### Register - to create a new account.

- 1. Visit the Website: Open your browser and go to <u>carsfound4u.com</u>.
- 2. **Create an Account** (optional): While browsing is open to everyone, signing up allows you to manage listings, add blog contents etc.
- 3. To create an account, just click on the **LOGIN/REGISTER** button at the top-right corner.
